

Client Information

At The Health Arts College we pride ourselves on offering quality training and experiences for all our students and clients. Our affordable student clinic is conveniently open to public clientele.

Allowing students to gain valuable skills in a working environment whilst under the supervision and guidance of their qualified trainers.

We understand that at time you may want the same therapist but that is unfortunately not always possible as the students require to be exposed to a variety of clients over a period of time.

Please be sure to arrive 15min prior to your scheduled session, this helps us have you complete any required forms and ensure that you receive the full time allocated to your treatment late arrival results in a shorter appointment as students cannot run overtime.

If you are unable to make it to your scheduled session, please provide 24 hours' notice, as it does effect the students clinic hours.

Please ensure a good level of cleanliness prior to your session for hygiene reasons. We value our client feedback as it assist both the students and the college in ensuring that the experience is positive.
